Mr Syd. Pollack  
16 Park Ave.  
Tarrytown N.Y.

Dear Mr Pollack:

Please pardon my delay in answering your letter, copy enclosed. I have been out of town a lot, and keep on the go.

Please send me 1000 of the folders. I cannot use the window cards as I have a game here July 4th, and I do not want them to conflict.

About rooms, Newark is a tough place to find rooms. The teams that play here always stay in New York at The Woodside, 2424 Seventh Ave. We recently had a hotel open, and I have been trying to contact the boss about rooms for you. Up to now I have not been able to get him, and none of the help want to take the responsibility of reserving so many rooms. If I have any luck I will contact you again. In the meantime I suggest you reserve rooms at The Woodside.

About terms, I assumed Gottlieb had told you we give you 25% of the gross after tax.

I am inviting about 200 newsboys from our colored papers to the game. I know they will enjoy it. I have also called our white daily The Newark Evening News, and extended the invitation to their newsboys. If they accept it should be a big help on publicity. If The News accepts I will extend it to The Ledger and The Call. We will have enough room for the kids without suffering. This kids angle has possibilities of making it an annual affair for them. We will see what happens and discuss it futhur when I see you. About the rainout date we are playing in Harrisburg the 7th, and beside the park would not want us to play a night when they are home for a doubleheader the next day. They cant get the stands cleaned.

Very Truly Your
